Description: In this paperback edition is a foreword by activist and author John Robbins and a readers group study guide. This ground-breaking work, voted one of the top ten books of 2010 by VegNews Magazine, offers an absorbing look at why and how humans can so wholeheartedly devote ourselves to certain animals and then allow others to suffer needlessly, especially...

Review: Since we have become so disconnected from the life of the animals we consume, and the industry has become so obsessed with profit over welfare, books like this have become necessary to shake us out of our malaise. We need to know that the blood, guts and gore of the slaughterhouses and the cruelty of the handling and transport of animals are a prelude...
